

This New Command I Give To You

Janssen, 2010

This new command I give to you: that you must love— one an - o - ther!

How will the world ev-er see my love, un-less you love— one an - o - ther?

*No one has shown great er love than you; you give your life for both strangers and friends;
You give us peace that the world can-not give, calming our hearts in the Spi-rit's em-brace;
You are the way and the truth and the life; in you we meet the Cre-a-tor of all;*

*Keep us a-bi-ding in you and your word, so may your joy be in us— with-out end!
Keep us rejoicing, and bear-ing good fruit; yield-ing a har-vest of grace— up-on grace!
Keep us believing, and strong in the faith, grow-ing each day as we an-swer your call:*
